STORMGRIP

FEATURES

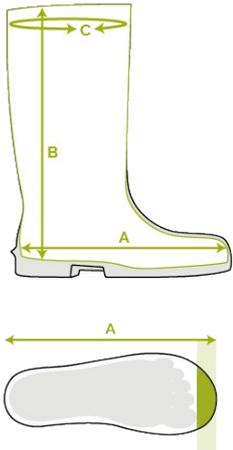

- anti-static
- robust, yet lightweight
- flexible material for increased comfort
- wider fit
- safety: non-metallic toe cap and midsole (S5): no corrosion
- 100% waterproof for warm and dry feet
- featuring a Vibram sole engineered for ultimate grip and stability on wet surfaces, thanks to water drainage channels, wide cleats, and an optimized micro-pattern design
- excellent grip, even on wet and greasy surfaces (SRC certified)
- side of the sole: closed rim to avoid net trapping
- resistant to fats, manure and a variety of chemicals
